

Total Land Management **AGAIN** offers things others just can't match. We offer a complete start to finish operation for those of you who are short of time or just do not have the right equipment. **LET US SAVE YOU TIME and MONEY** by getting it done fast and right the first time..!! We can do it all..!! Total Land Management will layout and mark where to put everything using our color coded system and our partner Mclennan's Nursery will do the rest all you have to do is hunt. Some of the services offered are as follows: Native grass plantings and maintenance, Food Plot planting and maintenance, Hard Wood, Evergreen and Fruit Tree planting and maintenance, Potted Landscape Grass planting, Tree Top moving, Water Hole construction, Invasive Tree and Bush removal and herbicide applications Just to name a few. You can have them do as little or as much as you like, but you can **NOW** get it all in one stop. If you are looking for grasses, trees, shrubs, Plot Spike food plot seed they have it. If you like to, do it on your own.

This is an invasive bush removal and Herbicide application job.

This is a landscape grass blocker With a row of fruit trees.

Mclennan's Nursery is family own and operated since 1995. www.mclennanlandscape.com . The owners are all exceptional deer hunters and ethical sportsmen just like you and I. Let our team help you make your hunting land the ultimate deer hunting paradise.
